

## GRADING SYSTEM AND TABLE OF GRADE DISTRIBUTION

### *ITALIAN GRADING SYSTEM – INDIVIDUAL EXAMS*

The Italian grading system at Higher Education Institutes for individual exams is based on a 30-point scale, 30 being the highest vote and 18 the lowest to consider the exams as passed. Marks under 18 are unsatisfactory and the exam is considered failed. 30/30 cum laude (30L) may also be awarded to underline outstanding results.
